1. In the science projects, which topic impressed you the most? *

Dirt of the Details river

2. From your answer to the first question, explain the reason why it impressed you the most. *

Because I thought that Japanese was always very clean and people would n't litter, but I did n't expect that there are some places in Japan that were originally dirty, and they would be as clean as they are now.

3. Our tour to Cheng Chin Lake, what did you like the most? *

The aquarium

Firefly park

Rice ball making

Dinner at firefly park

4. Tell us the reason why you like this part the most. *

I did not participate in this session

5. Do you like to make eco-house with your partner? Why? *

Yes. Because it is very interesting to me to do something with my friends .

6. Does this exchange program meet your expectation? Why? *

Yes, because I made good friends
from Japan

7. how is your communication with your international partners? Do you have lots of chances? Do you enjoy the time with your partners? *

We communication in English. No. Yes.
